The Gwinnett Mustang Association (formally Atlanta Mustang Association) & The Northeast Georgia Mustang Club have come to an agreement on the territory issue. We have agreed to give up Gwinnett County with the exception of a few select locations. If we plan on have a show that may conflict we/they will need to discuss the details. All other areas will stay the same.

33rd Cherokee Show Saturday September 23, 2006:The 33rd annual Cherokee Show will be held on September 23, 2006 at the Great Smokies Conference Center across from the Best Western. The hotel rooms have been blocked and are available for booking. **John Garrett** has agreed to be the show chairman. The Cherokee show is currently being promoted in the MCA Times, MCA website, Rag Tops & Running-boards, and on our website. It is also running on the Cherokee visitor's center web site at <http://www.cherokee-nc.com/>. They also requested that we send flyers that can be given to local businesses. Previous show attendants will receive a show flyer via mail at the end of July. Jacky Jones also has show flyers in his showroom. Due to the deadline date change and the lack of response from the club running a full page ad in the MCA Times, we agreed to scrap the idea and save the money. Normally we only receive 1-2 registration forms from the actual Times ad. We need door prizes and goodie bag trinkets!!! Also, we may have a silent auction; **Joe Huff** said he may have access to some unique items. **John Garrett** suggested that we purchase a remote/cordless mic for the sound system to be used at shows, so the person using it is not tied to the trailer but can walk around, this was voted on and accepted. Also, per **John** the club trailer needs new tires. **John** will order the mic and tires. **David Johnson** has volunteered to put together an MP3 player to run with our sound system, this will allow us to play music during the show.**Toys for Tots November 2006:**The tentative date for the Toys for Tots show is November 4th at Hayes Chevrolet dealership in Cornelia/Baldwin. Hayes would clear out a huge parking area for show cars and the regis-

tration tent. The event would be open to all makes & models including motorcycles. The registration fee would be \$10.00 or a toy of equal amount. Food would be provided by a local church and we may rent a jump tent for the kids. We will need to discuss the date & time with Matt Hayes. Per the Year One website, their Toys for Tots show will be held on November 11th.

Meeting location

The club would like to continue to move the meetings around to different locations to better serve our members. **Tom & Jeanne** have volunteered to host a future meeting at their home, if you would like to do the same please let us know.

Next Meeting:

The next meeting will be June 16, 2006 1:30 pm at Hayes Chrysler, Oakwood, Ga. . ****Please include directions in newsletter****

Member Spotlight — Tom & Jeanne Longerbeam

Tom and Jeanne Longerbeam were married last year, and on their first date, Tom took Jeanne for her first ride in a muscle car. Tom confesses, "She thought something was wrong with the muffler because it was so loud."

By their third date, Tom took her to her first car show, and the former NYC opera/musical theater singer was introduced to the "World of Cars", especially meaningful since she had not even **owned** a car for 10 years while living in Manhattan (home of taxi

cabs)!

Like most car people, Tom has loved fast and beautiful cars since he was a kid. He has been a member of the Mustang Club since 1990 and Jeanne joined recently, after the purchase of her first real sports car, a 2006 white Mustang GT convertible with red/black interior! They became a 2 Mustang family when a 2003 zinc yellow Mustang GT Convertible with black interior showed up as a trade-in at Team Ford in Alpharetta, where Tom works as a service writer. Jeanne says, "The salesman encouraged Tom to drive it home for a test drive and that was it---he had to have one too!" Tom, Jeanne, and their Mustangs currently reside in Cumming, GA.

Motor Trend
Car of the Year

You have to be good to bring race technology to the street. You have to be even better to bring race-winning technology to the street.

At Ford, we've seen our share of the checkered flag. In 1993, we took ten championships. Eight new speed records. Plus, more than seventy major racing victories. Once again, Ford brought home more trophies than any other competitor.

AND LOOK WHERE IT'S GOTTEN US.

And in keeping with our "we race, you win" tradition, it only made sense that our latest addition to your circuit, the all-new Ford Mustang, got some recognition of its own. To be specific, 1994 Motor Trend Car of the Year honors. All in all, it's going to be nice to lead the pack with that kind of distinction.

Perhaps you'd like to join us.
