

## Pensacola 2006

The 2006 Pensacola trip started with David & Jodi Anne, David & Sherry, John Garrett, and Sue Osborn caravanning to the show on Thursday. We arrived with plenty of time to wash and polish our cars before the ritual "Dinner at Rochelle's". Each year the McNeal's hold a welcome to Pensacola dinner at their home for the Mustang nuts who show up on Thursday. As usual, the food was good and even better, the weather was much warmer than last year. Friday dawned windy and chilly as we registered our cars. David O, David J. & John's show spaces for their Saleens was next to the Saleen factory display. Chris Agee was on hand with a couple cars in the show field. One was his recently com-

pleted Grabber Blue Shelby Clone that the paint was barely dry on with an obscenely big motor in it . Would you expect anything less? Saturday was the MCA board meeting and we attended to discuss the division of our region with the board. We still don't have the issue completely resolved, but it looks as if we will retain all of our area except Gwinnett and parts of Hall & Barrow Counties.

Saleen Police ???

Vendors were everywhere, but there seemed to be less used parts than usual to pick from, however the vendors that keep the hobby alive were on hand with new reproductions for sale. Sunday was sunny and warm, but we chose to leave early because of the long drive home.

We'll definitely be there next year!

The Gwinnett Mustang Association (formally Atlanta Mustang Association) received their charter on November 2, 2005. However the issue of shared/taken territory has not been resolved. Steve McCarley (MCA liaison) will be in contact with our board members at the Pensacola Florida MCA show & board meeting to resolve this issue.

Mustangs Unlimited:  
Chris Hoverman has inquired about our club having a show at Mustangs Unlimited in the near future. They are a club sponsor. David Osborn will need to check into this.

### Cabin Fever Getaway:

We had our annual Cabin fever getaway March 4-5, 2006. There were 9 members who attended: David & Jodi Anne Osborn, David & Sherry Johnson, John Garrett, Richard & Linda Groont & Tom & Jeanne Longerbeam. We left Oakwood Saturday morning for the Dillard House for breakfast. Arrived in Gatlinburg, checked into our usual hotel, hung out, ate a late lunch/dinner at the Hard Rock. Sunday breakfast was at the Cracker Barrel in Pigeon Forge then we headed home but not before stopping to antique shop in Franklin, NC. Unfortunately there was no cruising in downtown Gatlinburg due to road construction on the main drag.

Randy Church did not have a treasury report prepared. He will give the report at the next meeting.

#### Territory Issue:

The Gwinnett Mustang Association (formally Atlanta Mustang Association) & The Northeast Georgia Mustang Club have still not come to an agreement on the issue of territory. Per Steve McCarley, he was to contact with us within 1 week of the March Pensacola MCA board meeting to finalize the terms. As of May 21, 2006 we have not heard from him. David Osborn sent a letter to the MCA president letting him know the situation. We hope to hear something soon as we would like to resolve the issue and move forward.

#### 33<sup>rd</sup> Cherokee Show Saturday September 23, 2006:

The 33<sup>rd</sup> annual Cherokee Show will be held on September 23, 2006 at the Great Smokies Conference

Center across from the Best Western. The hotel rooms have been blocked and are available for booking. John Garrett had agreed to be the show chairman due to a possible scheduling conflict for David & Jodi Anne. As usual we need door prizes & good bag trinkets. **Ronnie Norris has been appointed to be the official 50/50 man since he does such a kick butt job!** Members at the meeting discussed what design they would like to see on the show shirt. The NEGMC logo will again be on the front with an old & new Shelby on the back, shirt color will be decided later. The request for MCA insurance has been filed.

#### Toys for Tots November 2006:

Matt Hayes suggested that we hold our annual Toys for Tots show at the new Hayes Chevrolet dealership in Cornelia/Baldwin. Hayes would clear out a huge parking area for show cars and the registration tent. The event would be open to all makes & models including motorcycles. The registration fee would be \$10.00 or a toy of equal amount. Food would be provided by a local church and we may rent a jump tent for the kids. We will need to discuss dates with Matt. Per the Year One website, their Toys for Tots show will be held on November 11<sup>th</sup>.

### Classic Mustang Stereo

This CD Player and faceplate for the Mustang can be purchased from National Parts Depot. Sherry & I have the Blaupunkt versions and are happy with the faceplate and the head unit. NPD also sells a Pioneer speaker that is a replacement for the factory speaker and is a high wattage stereo set. When used with a good set of rear speakers your classic Mustang will sound much more modern when listening to the Stereo
