Welcome to our second Newsletter for 2016. There was a tremendous amount of activity since the last newsletter. Numerous car shows, awards, members added and our big show is just around the corner. We also have club elections in the future. Please read the note from our President and the club by-laws on page 4.

St. Augustine MCA National Show Results

Another great National Show weekend for the club. 5 club cars were shown, resulting in 5 gold awards. Congrats to Ken Shoufler and Lisa Nemoga, Rick and Georgianne Schmidt, and Rick and Cher Hayslip for their gold awards in their respective Occasionally Driven classes. Also, congrats to Steve and Jan Harrison and Richard and Shirley Ryder for their golds in their Modified classes. We had a great time on a trolley tour of St. Augustine Friday evening and then had dinner as a group Saturday night in St. Augustine. Ken, Rick, and Rick and significant others drove down together Thursday, while Richard and Steve and spouses left earlier and spent a couple of days in Savannah before going on to St. Augustine.

11 for 9 at GRMC's Hardy Ford Show

Nine club cars attended the Georgia Regional Mustang Club's show at Hardy Ford in Dallas, GA. The club did quiet well winning 11 awards including Best Club Participation and Gary Dyck won the new special Kendall Dyer Choice award. Every member placed in their category. While the day started with rain, it ended with sunshine and lots of smiles for our club.

Productive Day in Calhoun

Rick Hayslip, Scott Mossbrooks, Ken Shoufler and Lisa Nemoga, took a scenic winding drive across GA Hwy 53 to the Cherokee Regional Mustang Club show in Calhoun,GA. It was a fun, hot sticky day and the rain help off until after the show. All 3 cars placed in their category and brought home awards like the one Ken is modeling.

Mustang Unlimited Show and Club Meeting

We had our June club meeting at the Mustang Unlimited Car show that raised money for our Toys for Tot efforts. It was great to see so many club members make the show and we had several cars entered in the event. Rick Hayslip, Cher Hayslip and Mike Holland, all won Top 20 awards with their cars. The club meeting focused on Maggie Valley and the planning.

Georgia Peaches First Ever Car Show

Richard Ryder and Scott Mossbrooks took a leisure drive across GA Hwy 20 and ended up at the Hooter's in Hiram. There were about 50 cars at the show and the folk at Hooter's did a great job helping the ladies of the Georgia Peaches Mustang Club do their first show. While Richard and Scott did not win an award, they did pick up some new accessories for their Mustang but had to return them before they left. Cannot wait for their next show.

Mustangs at the Mountain

St. Mountain Park was filled with Mustangs for a day of fun and sun. We had several cars make the trek to the event. Our website has lots of photos of the event. Congrats to Rick and Cher Hayslip on their award for their 1969 Convertible in the Generation 1 class.

Ford Owners Association Show

5 club members attended the Ford Owners Association (FOA) show at Summit Racing on Saturday June 25th, driving down GA20 to Summit. It was a hot sticky day, we camped in the shade of a pop up, and enjoyed the show and talking. Unfortunately, we didn't take any awards, either from the popular vote or the judging, but did enjoy the show and the back roads ride down and back from the show.

MY LOVE OF MUSTANGS

My love of Mustang actually started in 1970 when I got back from Vietnam. I went to a Ford dealership in Brooklyn, NY and was ready to buy a 1970 Mustang, I looked very young, like I was 14 years old, I approached a salesman to inquire and he looked at me and said to come back with my Father. With that I walked out of the showroom. When I got back to Dover AFB I ended up buying a 1970 Chevy Camaro.

My actual love came back again when my son William wanted a car for us to work on together. We were looking at a few Mustangs and one of our friends had a friend of a friend who knew of a 1965 Mustang for sale. We went to look at it and were very pleased with what we saw. The person was the second owner. We test drove it and it ran well.. He told us to think about it for a week and said he would not show it to anyone else until we called him. We looked at a few others and this one was the best so William and I bought it together.

We have had the Mustang for a year now and have done a few things to it, new tires, it needed ball joints, so we replaced all the front suspension components (springs, etc.), steering mechanisms and shocks front and rear. We replaced a few chrome pieces around the car, the instrument cluster, new steering wheel, upgraded the front brakes from drum to disc brakes and dual bowl power assist master cylinder. and a new radiator. We will be recovering the back seat, installing new carpet and we are having a new AC system installed to replace what was there. A lot of work but also a lot of fun and a great father-son bonding experience.

We have enjoyed going to the meetings, and a few cruises to shows and cruise-ins. Lots of great people to be with, socialize with and learn lots more about Mustangs.. It was also fun receiving our first awards recently with a great club showing at Hardy Ford.

I look forward to meeting more of you and soon at future events.

Editors Note: Ronald is also a photography wizard and has been providing the club with great photographs from events for our Facebook page, Webpage and Newsletters.

From the President's Desk:

We need to start thinking about officer elections for the two year terms starting 1/1/2017. Since our last elected vice president resigned during the 2015-2016 terms we will be voting for President in addition to the normal Vice-President, Secretary, and Treasurer. Following are the nomination/election sections of the club bylaws along with the officer duties section of the bylaws. So read these over and lets have some members volunteer to run for these officer positions later this year in accordance with the bylaws. Remember, this is your club and members are needed to help run the club.

Article V Officers

Section 1. Type of officers: the officers of this club shall be President, Vice-President, Secretary, and Treasurer. The past President will become Chairman of the Board upon election of his successor.

A. Nominees for the offices of President, Vice-President, Secretary, and Treasurer must be members of MCA and active members in good standing of NEGA Mustang Club, having been a member for at least two years prior to election and attended no less than 75% of meetings and/or events sponsored by NEGA Mustang Club.

B. The Executive Board will be composed of the duly elected officers and the past President, who will serve as Chairman of the Board.

C. Nominations will be taken at the regularly scheduled November meeting and the election will be held at the regularly scheduled December meeting. The newly elected officers will begin their term with the January meeting.

D. Biographies for those running for office should be limited to 50 words or less and may be mailed at the expense of the candidate or all biographies may be included in the newsletter, at the discretion of the Secretary.

AMENDMENT TO SECTION 1, A.: Officers will serve two year terms and the Vice President will automatically become the President at the end of his term as Vice-President, if he has fulfilled his obligations as Vice-President and has regularly attended meetings and events sponsored by the Club.

Article VI Duties and Responsibilities of Officers

Section 1. President - The President shall be the Chief Executive Officer of the NEGA Mustang Club and shall have general supervision, direction and control of the business and affairs of the club. He shall preside at all regular and executive board meetings of the NEGA Mustang Club. The President shall sign all contracts and other instruments in writing, provided, however, that that the members of the club or the executive board must first approve all contracts and other instruments.

Section 2. Vice-President - The Vice-President shall perform all the duties of the President in his absence, and when so acting shall have all the powers and restrictions of the President as set forth in Section 1. The Vice-President shall perform such other duties as from time to time may be prescribed by the Executive Board, and shall attend all their meetings. The Vice-President will assume the duties of the President should he be unable to complete his term.

Section 3. Secretary - The Secretary shall attend all meetings of the members and Executive Board, record the minutes of all meetings, keep or cause to be kept, a current register of members, give notice of all meetings of members and the Executive Board. He or she shall have control of valuable papers and books of the club. In the absence of the Secretary from any meeting of the members or Executive Board, the presiding officer shall appoint a Secretary pro-tempore. Each year, by June 1, the Secretary shall submit to MCA a list of all members of that year.

Section 4. Treasurer - The Treasurer shall keep a correct accounting of the Club's business transactions. He or she shall deposit all monies and other assets in the bank account established for NEGA Mustang Club. He shall disburse the funds of the club as may be ordered by the Executive Board or meetings of the Club, and shall render to the President and the Executive Board an accounting of the Club's assets and liabilities. The Treasurer without specific approval of the Executive Board or a meeting of the Club shall incur no obligation, debt, or other liabilities. The Treasurer is responsible for maintaining adequate funds for month to month expenses to operate the Club, including a reasonable amount of funds designated for future shows or club events. Funds should be deposited in a special account designated for the Club.
