PONY TALES

Cherokee 2006

The Cherokee show is in the last stages of becoming a reality. The goodie bag stuff and door prizes are accumulated and ready to go. John has gotten new tires on the trailer and it's once again roadworthy. We purchased a wireless microphone and tested it out at the last meet-

ing. Now our prez can walk all over the show field and talk on the PA. With any kind of luck we will have music this year too. The t-shirts and magnets are finished and ready to pass out. Jodi Anne says we have several pre registers already so there should be a good turn out. Like usual, we will caravan

to Cherokee on Friday morning for anyone who can make it. We will leave the park and ride at Oakwood on I-985 at 7am and stop at the Dillard house for breakfast. If you have never been to Dillard house for breakfast, it's to die for! -Page 2-

- Caravan to Cherokee

We will leave from the Oakwood park and ride at 7 on Friday the 22nd for the caravan to Dillard House & Cherokee.

Cherokee continued

We will be at the Dillard House at about 8:15 if you want to meet there. After breakfast we will ride on to Cherokee. When we can get checked into the hotel, we usually pack goodie bags and set up an early registration desk in front of the hotel. If you are planning to caravan and are running late or lost, give David O a call at 770-356-9431 or David J at 678-357-8615.

See Ya There !!

August Meeting

The August meeting was held at John Garrett's home. We had a barbecue and covered dish dinner. The table was loaded with food fit for a king and the rain held off till we had finished. After lunch we convened the meeting in John's air conditioned garage. We finished plans for the Cherokee show and got plans going for the Toys for Tots show. The Toys for Tots show will be held at Hayes Chevrolet in Baldwin on Nov 4. Hayes is arranging for food to be brought in by a local organization and possibly some entertainment for the kids. We have taken an ad out in the Ragtops & Runningboards. Thanks to John, John Sr. & Pat for the use of their house and yard!! It was awesome, especially the air conditioned garage!
