## TOYS FOR TOTS

Our Toys for Tots show at Mustangs Unlimited was a success thanks to the support of Mustangs Unlimited and the others who provided door prizes and give away items. There were over 80 cars registered, we collected nearly a hundred toys and more than 500 dollars in cash. We took the cash to Walmart where Debra applied her employee discount and that allowed us to stretch our dollars enough to buy hundred toys. After shopping we took the toys to Jacky Jones

Ford where we added them to their collection. Fritz Hammersen met us and helped to get the toys in to the dealership. He had us lay them out around the Shelby in the showroom. After dropping the toys off, we went to the Rib Shack next door to Jacky's for lunch. Thanks to all who helped support the club and the Toys for Tots program.

## After Christmas Party

The annual After Christmas Party and January meeting will be held in the Barn at Jaemor Farms in Alto on Saturday January 23rd from 2-5 pm. Bring your favorite covered dish and the club will provide meat and drinks. We will once again have the traditional "white elephant" gift exchange. Keep your gift to 15 bucks or less. If you plan on attending, please drop an e-mail, text or phone call to David J (678-357-8615) or David O (770-356-9431). Hope to see you there!

Jaemor Farms is located on I 985/Highway 365N between the second and 3rd stop lights near mile marker 35 on the North bound side of the road.

# Maggie Valley 2009

Well the annual Maggie Valley Show started off great on Friday with the cruise to the Dillard House Restaurant for breakfast. There were 11 Mustangs in a row going up 441 to Clayton and we pretty much filled the Dillard House parking lot. We required 2 large tables at breakfast. The largest turn out in years. After breakfast we headed toward Maggie Valley under warm cloudy skies. When we arrived in Maggie Valley the skies were threatening rain. The goody bag stuff was

unloaded and we started stuffing bags for the expected 200 entries. After packing the goody bags the host hotel of-

fered to set up a buffet in a private room for the club members and about 25 of us took advantage of the offer for dinner. Saturday dawned dreary and really threatening rain. We all crossed our fingers and headed over to get the show field set up. By 9:30 the rain had started with a mist or heavy drizzle. We hoped it would get no worse, but it was not meant to

be. By noon it had become a full fledged downpour. 66 hearty souls registered and stayed to get their award plaques in spite of the rain. By 4 pm we had everything packed up and everyone had re-

turned to their rooms to get into warm and dry clothes. Next year's show will have a rain date of Sunday so hopefully we'll have better luck then. For everyone who attended and helped a very big Thank You!!

## Club Website-Communication

The club website has the ability to mass e-mail the membership. If I can get updated e-mail addresses from everyone, I'll e-mail events of interest during the year. We have become large enough that we could very easily attend different events in our areas as groups. The mass mailing would easily get the word out. We now have our own Facebook page Northeast Georgia Mustang Club which is public and you can become a fan. Once become a fan you can upload pictures and communicate with other fans. Anything posted there goes out to all fans of the page so everyone gets the word. Try it out and check out Jacky Jones Ford and Mustangs Unlimited fan pages too.

## MCA Nationals Car Shows for 2009

For the first time in years, there will be 4 MCA National shows within driving distance of us for a long weekend. It is an opportunity to get your car looked at more than once by MCA judges. If you are going for concours points, you will have a chance to correct issues between shows and increase your point count the next time out.

**Gulf Coast National Mustang & All Ford Show** in Pensacola, Florida March 26-28th. Several of us are already planning to attend this one. Info <http://gcrmc.com>

**Chisholm Trail Mustang National** in Mustang, Oklahoma June 4-6. Info [www.okmustangs.com](http://www.okmustangs.com)

**Hoofprints in the Sand** in Virginia Beach, Virginia August 13-15. Info [www.sevmc.org](http://www.sevmc.org)

**Mustangs at the Mansion Biltmore Estate** in Asheville, NC September 3-5. Info [www.brmcoa.org](http://www.brmcoa.org)

If you plan attending any of them, get the word out and maybe several of us can travel together. Sherry and I are considering the Hoofprints in the Sand show since it is our old Mustang Club.

## Gatlinburg 2010

Once again we will be doing our Gatlinburg Getaway the last weekend in January. Debra has blocked several rooms for us at the Greystone Lodge. We will leave from Oakwood and stop at the Dillard house for breakfast and then head on up to Gatlinburg. While there we usually take in a little shopping, some food and drink and just relax for the weekend. Further information to follow after the next meeting.

## Annual Spring Pony Round Up at Mustangs Unlimited

This year we have scheduled 3 shows that we will host and once again it starts with the Spring Pony round Up at Mustangs Unlimited. The date is March 6th and for the first time, we have scheduled a rain date for the following weekend March 13th if necessary. Mustangs Unlimited will be the main sponsor, but if you have anyone who would like an opportunity to be an associate sponsor get them in contact with David O. Hope this is the year we can all get some time to get out and enjoy these events. I look forward to seeing you there!
