NEGMC Club News

NEGMC is off to a fast start in 2019. The year kicked off with the Annual After Christmas Party and White Elephant gift exchange. We had a great turnout and the new Club officers were sworn in.

Lou Manglass assumed the chairman's role as he turned over the office of the President to Steve Harrison. Dan Capps became the new club secretary and Keith Corkern and Emily Priebe continued to serve in their previous roles as Vice-President and Treasurer respectively. Many thanks to the above team for volunteering their time, skills and resources to the club.

Check out party photos on our website at:
<http://negeorgiamustangclub.org/2018/01/10/2019-negmc-after-christmas-party-meeting-new-officer-transition-01-19-19/>

Our February Club meeting was held at Gateway Classic Cars in Forsyth County. Gateway has a nice facility full of classic cars that provided a great setting for our meeting. Our youth program was discussed and our first youth member Ryan Swearingen was introduced with his 2016 Competition Orange Mustang EcoBoost.

NEGMC is a MCA Regional Club

2019 NEGMC Club Coordinators as appointed by the Board of Directors.

Chris Priebe	Show Parking
Frankie Newsome	Local Car Shows
Rick Schmidt	Marketing
Dana Berry	Historian
Richard Rider	Show Voting
Gary Dyck	Cruise/Rally
James Price	MCA

A representative from Atlanta Motorama gave a presentation on their upcoming event at Atlanta Motor Speedway to be held on April 27 and 28. It's an all makes show but Mustangs are the featured car this year. They will have monster trucks, performance parts vendors and plenty of classic cars. NEGMC will be attending and parking as a group. Top mustangs will be eligible for many of the awards.

Our membership awards program was also previewed at the February meeting. Memberships can earn the President's Award by volunteering and attending NEGMC events. There will also be a Prestige award for the top Mustang in each class. Prestige Awards are earned by attending shows. For more details, please visit the website at:

<http://negeorgiamustangclub.org/club-participation-awards-program/>

YEARONE

Muscle Car Parts

2019 YearONE Club Winners

David Carr 1969 Cobra Jet Mustang

James Price 1965 Mustang GT Fastback

Chris Agee Resto 1966 GT350H

David Cullen 1965 Mustang

Richard Rider 2006 Mustang GT

New for 2019, NEGMC is now holding two MCA regional shows. Our first Regional show of the year was held at YearONE in Braselton Ga. on March 16th.

We had a strong field of over 120 Mustangs and other classic Fords. Lots of cars new to NEGMC attended the show. We also had strong support from our friends at the Georgia Regional Mustang Club.

It was a participate vote show with awards given to the top 25 cars along with Best in Show for Early Mustang, Late Model Mustang, and best Ford.

Check out all the cars from the show on the club website at:

<http://negeorgiamustangclub.org/2018/01/11/2019-ne-georgia-mustang-club-yearone-spring-pony-round-up-car-show-03-16-19/>

Our traditional regional show will continue to be held at Maggie Valley on Saturday October 5th. See our website for show details.

Member Spotlight

David Carr

David receiving his award at the YearONE show from club President Steve Harrison

David unloading the last of the gifts for the drop off at Jacky Jones Ford

The beautiful 1969 Cobra Jet

David joined NEGMC in 2018 with his 1969 Mustang GT powered by the awesome 428 Cobra Jet. He won an award at his first club outing in November at the Georgia Regional show in Kennesaw. He followed that up with a top 25 award at our recent YearONE show. Make sure to stop by and say hello at the next NEGMC show.

Here's David's story about his car.

My history with Mustangs is very short, this is the first one that I have owned. I bought it from a gentleman near Commerce in January of 2017. Unfortunately, I don't have much of its history. The previous owner ordered the Marti report which says it was sold out of a dealership in Connecticut. I tried to research them but nothing came up so apparently they have been out of business some time. There is also a sticker on the door jam from the state of New Jersey from 1985.

I have always liked the muscle cars from the '60's and '70's, especially the '69 Mustangs. The lines to me are just perfect. I was fortunate to find this one with its original 428 Cobra Jet and in good condition, especially considering where it came from.

I've done some work to it, mostly getting all the lights working. The hardest thing to do was rebuild the brake distribution block/proportioning valve to get the brake dash light going. IC Racing in Duluth has handled all the mechanicals that I can't do myself. I also had the transmission rebuilt by Dan Williams, one of the few people that know Toploaders. Eventually I would like to get a new exhaust system and Magnum 500's but that will be down the road a little.

Shortly after I got it I started going to some car shows of course, but it was the Duluth Rotary show last year where I saw all those NE GA Mustang Club tee shirts, banners and front tags! I looked up the website and all the activities you're involved with so at the Jim Tidwell show I turned in my application. Being with other Mustang fans and enjoying our cars and at the same time helping others is a win-win that I am very glad to be a part of!

**MAC National Show
Ellington Field – Houston, TX.**

NEGMC was well represented an the first MCA National show of 2019 held at the end of March.

The show venue was at Historic Ellington Field in Houston, TX. Vintage planes provided a great backdrop for the fantastic mustangs displayed at the show.

Cars started setting up on Friday and early judging began. There was a cruise out to Kemah on Galveston Bay on Friday Night.

By Saturday morning the display field was full. Steve Harrison and James Price went off to judge in the Daily Driven, Occasionally Driven and Concours classes.

Saturday ended with a nice dinner at the Johnson Space center.

Here is the shuttle outside the Space Center entrance.

**MAC National Show
Ellington Field – Houston, TX.**

Awards were handed out on Sunday.

Special Recognition to Kenny Shoufler for receiving his Red Grille Medallion.

Steve and Jan Harrison, Richard and Shirley Rider, Rick Cher Hayslip and Kenny and Lisa Shoufler also received Gold Awards. Rick and Georgianna Schmidt won the Silver Award.

Many of us will also be traveling to the Grand National show in Virginia at the end of August. Let us know if interested in joining the fun.

Club Officer Bio's

President – Steve Harrison

I've joined NEGMC in 2014. My interest in cars started way back when I was in high school. Our 66 Mustang was originally purchased by my father-in-law and my wife and her mother learned to drive and took their driving exams in the car. Ironically the car was manufactured in Metuchen NJ on my Mother's birthday. It was originally Springtime yellow with black interior. All that changed when the Shelby in me came out. Our other car is a 2008 Mustang GT/CS, which again the Shelby in me changed the car. As you can tell I'm a Shelby guy. We are members of MCA and I've been a Gold Judge for several years now. We love NEGMC and are excited to lead the club this year.

Vice President – Keith Corkern

I have been a NEGMC member since 2010. We have met a lot of great folks and made some wonderful friends through the Mustang community. I Purchased my first Mustang in 2009. It is the 2008 GT coupe that I have today. Since then, Debbie has also purchased a 2006 GT Convertible. Most recently we purchased a 1997 Roush Stage 2 Cobra. The Roush is one of handful of Cobras by Roush during the SN95 run, most were GTs. They weren't documenting VINs at that time, but it is believed to be a 1 of 1. We enjoy attending shows, and rallies. We will also frequently vacation in a Mustang. Advice Beware of driving them on the beach..... very messy.

Club Officer Bio's

Chariman – Lou Manglass

Karen and I joined NEGMC shortly after we purchased our Vista Blue 2009 GT/CS seeking other folks with a common interest and to make some new friends. This is our only Mustang but it's my second, my first Mustang was a 1970 Sportsroof in Medium Metallic Blue that I purchased new with the help of a friend who was an engineer at the Mahwah, NJ assembly plant. Coincidentally, when I look back on it Medium Metallic Blue and Vista Blue are almost the same color!

I have been involved with Mustangs, off and on, almost since the beginning. As a youngster at my dad's Esso station (in the 60's), I helped maintain and repair the very first 64 1/2 Mustang to come from our local dealer. Throughout the rest of the 60's and into the 70's I had my hands on plenty of Mustangs as I worked my way through high school and college in several gas stations and auto repair shops. In the mid-70's I was a Ford Dealer Technician and a First Place Zone Winner in the Ford Certified Training Program. In 1976 I left to open my own repair shop. From 1976 through 1986 I was known as the local "go-to" Ford guy. Our shop saw plenty of Mustangs from early models through Fox bodies but I still remember the excitement when Ford released the '85 5.0 with the Holley 4 barrel.

We currently own 4 Fords: The aforementioned Mustang; a 1958 F-100 that was my dad's Esso station shop truck; a "Built Ford Tough" 2001 Excursion with 261,000 miles and counting; and a 2007 Forest River Lexington motorhome which is built on a Ford E-450 chassis. Interestingly enough, I'm officially a "GM Salaried Retiree."

Professionally, I had the unique opportunity during my career to work my way from one end of the auto industry (gas pump jockey/grease monkey) all the way to the other (auto company executive then consultant). Today, Karen and I run a small home-based business where she is a consultant to home care companies and I teach CPR and First Aid.

Welcome our New NEGMC Members
