NEGMC Club News

NEGMC has been busy attending local and national shows this spring and early summer.

After our very successful show in March at YearONE, NEGMC headed to the MCA national show held the first weekend of April in Houston. (see Q1 issue for details)

Our next major outing was the 2 day Motorama held at the Atlanta Motor Speedway. Mustangs were the featured car this year and Rick Schmidt, Chris Priebe, and Richard Rider won awards.

In mid May we attended the show at Hardy Ford in Dallas, Ga. that was hosted by the Georgia Regional Mustang club.

Eight of our cars won 1st Place awards at this judged show.

Several members have also attended many smaller shows and have won several awards.

In addition to the shows, our May meeting was hosted by Jacky Jones and we were able to view several cars from his private collection.

Our July meeting and picnic was held at Amicalola Falls.

Member Spotlight

Harry Smith

Harry with his first Mustang

Harry and his wife Lynn recently moved to Ellijay from Melbourne, Florida where they had lived for the last 30 years. They have just joined NEGMC and attended our meeting and picnic at Amicalola Falls. Make sure to say hello at our next outing.

Below is some background info from Harry.

Okay so this was really his first Mustang

Lynn was born and raised in Galveston Texas and left the area shortly after we got married in 1969. In December 1971 I joined the Navy and retired in 1992. Lynn has worked for the federal government and Northrop Grumman and retired from both. We have lived in Hawaii, Puerto Rico and London plus many stateside places.

We have owned many interesting cars. As far as mustangs, my first was a 1966 fastback pictured above and bought new in 1966. The next one was a 1969 Mach I. We later bought a 1966 coupe and 1998 convertible. We have also owned two sunbeam tigers that were fun cars. One of my favorites was a 1941 Chevy pick-up hot rod.

2016 Roush R3

Currently Harry and Lynn own a 2016 ROUSH R3 with a manual 6 speed transmission.

The Roush has 670HP and is completely stock other than some engine dress up. They purchased it new in February 2017 from Mulinox Ford in Apopka Florida.
