NEGMC Club News

2019 ended with a strong turnout for our Annual Toys for Tots shopping spree and presentation of gifts to Jacky Jones Ford in Cleveland, Ga. and 2020 should be another great year for our Northeast Georgia Mustang Club.

There are already several fun events and shows listed on the club calendar. The headliners are our two Regional Shows. The first show will be held March 21st at Year~~ONE~~ in Braselton and our second show will be held October 3rd in Maggie Valley, NC.

2020 also marks the 30th Anniversary of NEGMC becoming a Charter Club with MCA and we are working on a special event to celebrate this milestone.

Please check the web site for updates on these and other events and for how to register online for the NEGMC shows.

We will also be continuing our NEGMC Awards programs in 2020. 13 Members earned the President's award in 2019 and 4 cars earned the Prestige award.

A special award was also presented to David Osborn for his dedication to our club and the Mustang hobby in general. David becomes the first member of the NEGMC Hall of Fame.

NEGMC had another successful fund raising year in 2019. The club was able to make two significant donations to our main charities; USMC Toys for Tots in Cleveland, GA at Jackie Jones Ford and Hot Rod Children's Charity in Braselton, GA at Year~~ONE~~ Muscle Car Parts. Thanks to all of our members and sponsors that make this possible.

February Club Meeting

Our February Club meeting was held on the 15th at Gateway Classic Cars in Alpharetta. Gateway provides a nice setting for our club meeting. They have a vast collection of classic cars on hand and plenty of meeting space for our members.

Planning for the Year **ONE** show on March 21st was discussed and volunteers were assigned positions for the show. Please let us know if you would still like to volunteer. A local Mercury Cougar club is planning to bring at least 12 cars.

More details were discussed for our 2020 Maggie Valley show to be held on October 3rd. The Mustang II national club is planning to attend our show and will be this year's feature car group. They typically have 25 to 30 cars participate so this will greatly enhance our show. John Clor of Ford Performance will be the guest speaker and will also have a booth setup with lots of Ford Performance information. They will also be sponsoring the meet and greet that will be held on Friday before the show. So start making plans now and register on Motosho before the show field is full.

2020 is the 30th anniversary of NEGMC obtaining its charter membership from the Mustang Club of America. To honor members that have greatly contributed to the Club, MCA, and the Mustang hobby in general over the last 30 years, NEGMC has established a Hall of Fame award. This award will be presented by the board when it deems that an individual has met the above criteria. Members may contact the board with recommendations for their consideration.

The first ever Hall of Fame award was presented to David Osborn during the club meeting. David served as NEGMC President for 6 years and was instrumental in establishing our fall show in Maggie Valley. David also worked with Jacky Jones to setup our annual donations of gifts to Toys For Tots. This event has become of one of the highlights of the year.

The MCA Annual Banquet was held this year on Jan 11 in Kissimmee FL. The Mecum Auction was held the same weekend and the star of the show was the famous 68 Bullitt Mustang driven by Steve McQueen. Many MCA members and Ford enthusiasts were on hand to watch the car go across the block. After some spirited bidding, the hammer finally dropped at \$3.4 Million Dollars.

One of the many benefits of being a member of MCA is the complimentary bidders passes that are provided by Mecum for any of their auctions. The auctions are exciting and one of the best car shows that you can attend. Mustangs, Shelbys, and other classic Fords were well represented in Kissimmee. If you ever have a chance, definitely worth attending even if you are not currently in the market for a new addition to the stable.
